

Rapini Wire Storage

The Rapini Basket Trolley range, delivers great versatility in slide out basket storage. Trolley units can be configured to suit our customer's requirements.

Trolleys are manufactured with heavy duty bearing drawer runners to withstand normal handling abuse

Baskets come in a number of sizes and are available in either 100mm or 200mm depths. Baskets are offered with a range of dividers.

- Available in Nickel Chrome Plated Steel
- Various drawer configurations are available.

Static Basket Systems

Due to the flexibility of the SB range of baskets they can be integrated into trolleys, static units and In-Line systems. The baskets are only suitable to shelf widths of 460, 525, or 610mm.

Mounted on full extension heavy duty metal runners, the SB baskets are well suited to all types of items including IV fluids or similar.
